2024 Sport Concussion Conference

June 21st, 2024

7:00am-4:00pm

Monroe Carroll Junior
Childrens Hospital
2nd Floor Childrens Theater

Purpose

Overview

This one-day conference is comprised of a multidisciplinary group of concussion experts. The course is designed to educate healthcare professionals on concussion diagnosis, the SCAT6, concussion treatment, and many other relevant topics.

Learning Objectives

After participating in the didactic sessions of this conference, the participant should be able to:

1. Discuss current Concussion in Sport Group guidelines and standard of care for concussion management.
2. Identify proper assessment methods and tools for sport related concussion.
3. Utilize treatment techniques and protocols to assist in return to learn and return to play decisions.
4. Recognize advanced imaging methods and how they can be used for concussion management.
5. Understand long term effects of contact sports and sport-related concussions.

Educational Need

The recommended management of concussion by primary care physicians and other health professionals is constantly changing and evolving. Our intent is to bring providers the most up to date, evidence-based approach to the management of concussions in athletes as well as inform them of additional resources for patients. Proper care requires a multidisciplinary approach from healthcare providers to assist in the recognition and recovery of sport related concussions.

Definition and Assessment

Session I

Registration/Breakfast

7:00am

Opening Remarks

7:35am

Douglas Terry, PhD
Scott Zuckerman, MD

On Field Assessment

7:45am

Warne Fitch, MD

Initial Office Assessment

8:00am

Douglas Terry, PhD

Early Interventions

Session II

Early Recovery Education

8:30am

Garrett Perry, ATC

Active Recovery

8:45am

Kerry Wilbar, ATC

Delayed Recovery Management

9:00am

Katie Gifford, PsyD

Break

9:30am

Targeted Treatments

Session III

Vestibular & Oculomotor

9:45am

Holly Cauthen, DPT

Cervical & Exertional

10:00am

Siobhan Godwin, DPT

Headache Management

10:15am

Mayur Patel, MD

Psychological & Cognitive

10:30am

Douglas Terry, PhD

Registration Fee

Physicians: \$150

Allied Health Professionals: \$100

Register Online

Specific Populations

Session IV

Considerations for Pediatric Population

10:45am

Haley Vance, DNP

Structural Injury: Brain and Spine

11:00am

Scott Zuckerman, MD

Abstract Oral Presentations

11:30am

Lunch

12:00pm

Potential Long-Term Effects

Session V

Chronic Traumatic Encephalopathy & Traumatic Encephalopathy Syndrome

1:00pm

Scott Zuckerman, MD

Douglas Terry, PhD

Clinical and Advanced Neuroimaging

1:30pm

Ben Brett, PhD

Hot Takes

2:00pm

Kristen Williams, ATC

Anna Peterson, ATC

Break

2:45pm

Head Impact Reduction in Sports

3:00pm

Allen Sills, MD

Question and Answer

3:30pm

Moderator: Garrett Perry, ATC

Panel: Terry, Zuckerman, Brett,

Sills, Gifford, Wilbar

Closing Remarks

4:00pm

Douglas Terry, PhD

Scott Zuckerman, MD

Cancellation and Refund Policy

If you must cancel your registration for this course, Vanderbilt Sports Concussion Center will refund your registration fee, less a 10% administrative fee, provided you notify us by June 10, 2024. No refunds will be made after that date. Exceptions will be made on case-by-case basis.

Target Audience

This course is designed for athletic trainer's physicians, physician assistants, nurse practitioners, physical therapists, and neuropsychologists.

Accreditation & CEU Credits

Vanderbilt Sports Medicine is recognized by the Board of Certification, Inc. to offer continuing education for BOC Certified Athletic Trainers. This program has been approved for a maximum of 6.75 hours of Category A continuing education. This course is being reviewed for up to 6.75 prescribed credit(s) by the following:

American Academy of Family Physicians
Tennessee Physical Therapy Association

All participants are responsible for claiming only those hours spent participating in the continuing education activity.
